

Useful UTSA Library Webpages

UTSA Library Website

<http://www.lib.utsa.edu/>

This is the starting place for your research. It provides access to library catalogs at UTSA and elsewhere, electronic databases, Subject Guides and Tip Sheets, and links to Library Services.

UCAT, UTSA Library online catalog

<http://ucat.utsa.edu/>

Lists all books, journals, newspapers, videos and other materials owned by the UTSA Library, including JPL, Downtown, Institute of Texan Cultures and Special Collections and Archives.

UCAT search tips: <http://ucat.utsa.edu/help/combinedsearch.htm>

E-journal Locator

linked from the UTSA Library Homepage

Provides links to full-text periodicals indexed in databases – more than 30,000 full-text journals, newspapers, and other periodicals subscribed to at the UTSA Library. Print periodicals in the Library's collection can be searched with [UCAT](#), the UTSA Library's online catalog.

Interlibrary Services

<http://www.lib.utsa.edu/Services/III/>

Information about requesting books and journal articles from other libraries throughout the United States. Requests may be made using the online forms or paper forms available at the Circulation and Reference desk. Information about costs associated with Interlibrary Loan also included.

Off-campus access

<http://www.lib.utsa.edu/Databases/offcampus.html>

Want to obtain access to most of the UTSA Library subscription databases from home? It is quick and simple! Click on the resource from home, and an authentication window will pop up. Enter your Banner ID and last name, and you are good-to-go! Any questions? Click on the information page above, or call the Reference Desk at 458-4573 (JPL) or 458-2446 (DT).

UTSA Library Subject Guides and Tip Sheets

<http://www.lib.utsa.edu/Research/Subject>

Library subject guides are designed to help you begin your research and to pinpoint the best print reference tools, electronic subscription resources and selected web sites for specific subject areas. Includes tip sheets for using our subscription electronic journal indexes.

Citing in APA and MLA Formats

<http://www.lib.utsa.edu/Research/Subject/citingguide.html>

Provides examples for citing most common materials in APA and MLA style.
